Forecast for Saturday 22 Oct 2022

Weather: Frequent showers overnight, some heavy with the risk of hail and thunder, clearing to the north towards dawn. Highest chance of catching a shower by day early morning and late afternoon, with most routes staying dry through the day with bright and sunny spells most widespread mid-day. Band of heavy showers feeding from the south during the evening, bringing a further risk of hail and thunder.

Chance of cloud-free hill tops above 800m: 70% around dawn and early evening, otherwise 90% plus by day.

Low cloud and visibility: Mostly good or very good, becoming moderate or poor in showers, very poor within cloud with bases lowering 500m as showers push through.
